{mosimage width=200}The large combined lounge and kitchen area have a high beamed ceiling to give the house a cool, light and spacious atmosphere.

The lounge enjoys a satellite TV system and access to two balconies via patio doors. Seating is squashy and comfortable and there is plenty of room to relax.

Also on the ground floor is the master bedroom with en-suite bathroom and private veranda.

Located upstairs are the other two bedrooms.

The second bedroom offers an en-suite with large corner bath.

The third bedroom with en-suite walk-in shower.

Both bedrooms open onto the upstairs veranda.

All four verandas around the property, have safety railings meeting the health and safety standards regarding the height and spacing to ensure peace of mind for those with younger members.
